Technology Plan

3 The Technology Plan has been gone through and put out for member review. Members can bring questions and updates to the June 2nd meeting for discussion and approval.

Whiskeytown Environmental Camp

4 Students will spend the week of May 18-22 and Environmental Camp in Whiskeytown. We have thirty-four students attending that will be accompanied by two teachers, one school counselor, and some parent/high school camp counselors. The final preparations are being made to ensure a good week for the kids and that they are packed appropriately. There should be two other schools at camp that week, one of which will be Lassen View.

End of Year Activities

5 Open House will be May 28th from 5:30-7:00 with a Tostada Dinner Fundraiser.
Kindergarten Graduation will be June 11th at 9:00 am.
8th Grade Graduation will be June 11th at 7:00 pm.

Parent Survey

6 The results from that parent survey have been compiled and show a very positive view and environment at Gerber School.
The Parent Volunteer/Involvement numbers were a little lower that we would like, but increasing parent involvement is one of our LCAP goals over the next couple years.

For the Good Of The Order

We will be hiring four new teachers for next year. We are losing Jamie O'Brien and Alana Cumpston; Debbie Prinz is retiring, as well as hiring an additional teacher due to enrollment numbers.
