7 Water Days

- 2) 4-6 June 3rd

There will be a dunk tank this year occupied by faculty members. In order to throw at the target each participant will need to offer a positive affirmation prior to throwing.

For The Good Of The Order

8 Our nutrition teacher applied for a grant to help with the cost of redesigning our playground with artwork to promote activity and exercise.

It was asked if there was a way to make the lines in the softball field more visible year round in order to allow for kickball to be played there instead of on the blacktop.

Questions were raised about what we could do with old curriculum.

The Book Fair brought in about \$1700 for the school this year.
