School Description

The mission of Gerber Elementary School is to team with families to create a college-oriented culture where students are safe, respected, and empowered to contribute in a global community. Our vision statement is "Inspiring students to dream big..." and our motto is "Work Hard, Dream Big!".

It is our belief that knowledge is power and that our students will have greater opportunities in life if they attend college. We are a proud member of the No Excuses University network that promotes college and career readiness and is built around six systems that lead to student success. The six systems are: creating a culture of universal achievement, collaboration, standards alignment, assessment, data management, and interventions. We portray powerful college symbolism in classrooms and around the school. Examples of this symbolism include: each classroom has adopted a university to represent; university flags hang proudly in our classrooms and main hallway; some teachers have painted their university emblem on the outside of their classroom doors; and the staff and students wear NEU shirts on Mondays, college shirts on Wednesdays, and school colors on Fridays.

We have a strong sense of Gerber Pride on our campus. Our school culture centers on building student character and self-esteem, while setting high expectations for future success. To better serve the diverse needs of all learners, we are implementing a Multi-Tiered System of Supports (MTSS) schoolwide. This system allows us to focus on educating the whole child and blend services to support academics as well as behavior and social/emotional needs.

We have implemented the California Common Core State Standards (CCSS) at every grade level and test our 3-8 grade students using the California Assessment of Student Performance and Progress (CAASPP) each spring. We consulted with stakeholders to create our Local Control Accountability Plan (LCAP) and have made it a priority to align our programs with 21st Century Learning.

The school uses a variety of methods to evaluate the effectiveness of its overall program each year. Stakeholders are involved in the evaluation process through School Site Council (SSC) and the District English Language Acquisition Committee (ELAC/DELAC). Results of this process are communicated to all segments of the school community in a variety of ways, including the School Accountability Report Card (SARC) and student report cards.

Gerber Union Elementary School serves approximately 400 students in grades TK-8. A state funded pre-school is located on campus which feeds into the Gerber School population. The Gerber School District was built in 1954 and is characterized as a rural unincorporated area of approximately 70 square miles in the center of Tehama County. It is one of 13 small school districts within the county and is a feeder school for Red Bluff High School District.

The number of English Learners (EL), limited or non-English speaking students, in the school has grown at a faster pace than the general population. Close to 50% of the overall student population are EL students. Approximately 86% of the student body qualifies for either free or reduced priced lunches.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2020-21)

Language Arts:

Wonders ELA/ELD in grades TK-5
Amplify in grades 6-8

English Language Development (ELD):

English Language Development is embedded throughout all curricular areas. All teachers have their CLAD credential and we employ a full time ELD teacher. ELD is provided to students through core instruction; small group push-in/push-out; as well as integrated and targeted.

Math:

The school district has adopted My Math, McGraw Hill in grades TK-5 and California Math, McMillan in grades 6-8.

History/Social Science:

Scott Foresman is used in grades K-3, Harcourt Brace in grades 4-5, and Discovery in grades 6-8.

Science:

The District currently has adopted Macmillan for grades K-6 and CPO for grades 7-8. Teachers in grades 6-8 are currently piloting new science curriculum. CA Weekly Studies, Science Scope and other supplementary materials are used in grades 1-8.

Visual and Performing Arts:

During the 2018-2019 school year, the District received a VAPA grant that supported sending a team of teachers to a series of trainings, the purchase of VAPA materials for TK-8 grade students, as well as upgrade our sound system in our MPR. Currently, the district supports graphic and other media arts as integrated elements of our language arts and social science curriculum. In 2006-2007, Gerber School purchased the Arts Attack program. Examples of student artwork are displayed throughout the school year in their respective classrooms, hallways, library, and cafeteria. The artwork can also be viewed during Back to School night and Open House. Gerber School owns a kiln and students have the opportunity to acquire ceramic skills.

Physical Education:

The P.E. program emphasizes age-appropriate motor skill improvement and physical activities as major goals for all students. Various curricular materials are used by individual teachers, including S'cool Moves, a motor-skill developmental program for grades K-6. In 2007 the school built a new track to enhance physical education programs. In 2009 the district added an exercise course. During the 2014-2015 school year, Gerber School brought in the Royal King Dance Academy to teach dance and discipline to all students TK-8. This is a two-week program that concludes with an evening community performance. It is our intent to incorporate Royal King Dance into our curriculum once a year as long as funding and safety measures are met.

School Facility Conditions and Planned Improvements (Most Recent Year)

Gerber School is currently in line for state aid and hardship funding to support a modernization project on site. Our main focus for renovations will be updating our aging portables, reconfiguring our parking lot to allow safer drop-off and pick-up zones, and adding additional classrooms to our campus.

Gerber Elementary School was originally constructed in 1954. Since that time, additional classrooms have been added. The majority of the school was modernized in the early 1990s. The entire school was repainted in the summer of 2003. The playground was repaved in 2004. In 2006 the school was awarded a 2.5 million dollar modernization grant to address fire/safety and ADA needs. In addition to extensive ADA modernization work, the school's exterior was completely painted, new cafeteria floor, new ansul system in kitchen, front landscaping, interior classroom painting, new HVAC units on regular construction classrooms, office and cafeteria, and safety door handles were added on all doors. New carpet is replaced in classrooms as needed. In the summer of 2014, the computer lab was completely remodeled. In 2015, all of the lighting was replaced with LED lights and the roof on the Multi-Purpose Room (MPR) was replaced. Roofs and portable buildings have been repaired and replaced as necessary.

The capacity of the existing school is 537 students. This includes using many portable classrooms. The school staff works hard to ensure that the buildings, grounds, and restrooms are safe and clean. Students are responsible for helping to ensure a clean, safe, school facility.

All classrooms are Internet accessible, with updated computers available for student use. All students in grades TK-8 have 1:1 chromebooks and our computer lab can be used as a Makerspace. The library exceeds the standards for the number of books set by the American Library Association.

Tehama County Office of Education houses three special education classes and the county DHH class on campus. A state preschool was added to the campus in 2002.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020-21)

Gerber Elementary School believes student success depends on parents and schools working together. We actively seek parent involvement in our students' education. We have a Parent Involvement Policy that can be found in the front office. Parents are invited to participate at all levels, from helping in their child's classrooms, to getting involved in the Parents' Club, or even serving on advisory committees; such as, SSC and ELAC/DELAC. The Parents' Club, SSC, and ELAC/DELAC meet regularly and make recommendations to benefit our students and school. The advisory committees give input to, and help identify goals for, the Local Control Accountability Report Card (LCAP). We make every effort to keep parents informed about what is happening at school. Communication is offered in a variety of ways; such as: newsletters, website, conferences, and phone notification system. Each parent receives four handbooks at the beginning of the year: 1) The Common Core State Standards handbook, which explains grade level learning standards in the core subject areas; 2) Rights of Parents and/or Legal Guardians; 3) Parent/Student Handbook that explains important information about our school programs along with student rules and responsibilities; and 4) PBIS Parent Handbook that outlines our behavior expectations/consequences. Gerber School works in conjunction with School Readiness programs that offer support services to families that have children between the ages of 0-5. We can also offer resources for other support services; such as, counseling, parent and adult education classes, and family literacy.

Ways parents can get involved:

- Parents Club
- School Site Council
- ELAC/DELAC
- Volunteer
- School & community events (Royal King, Halloween carnival, tech classes/TCDE)

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan (School Year 2020-2021)

Gerber Elementary School has in place a comprehensive School Safety Plan to serve as a school guide for handling critical incidents; such as, code red, fire, earthquakes, hazardous materials, or other disasters and emergencies. The School Safety Plan is available for review in the main office. The School Safety Plan was reviewed with staff in August 2020 then updated and approval by SSC and the board in November. The Safety Plan examines the issue of safety on our school campus and recommends strategies and actions for the school's physical environment while building a positive school culture that is engaging and promotes supporting the whole child. The District uses the CatapultEMS Emergency Management System to enhance the safety of students and staff through real-time communication and information management.

The plan identifies designated members of the Crisis Response Team (CRT) and their specific jobs and responsibilities. Students take part in regularly scheduled code red, fire, earthquake and other drills.

During the 2020-2021 school year, GUESD will also be adhering to the COVID Reopening Plan as part of our school safety protocols for mitigating the spread of COVID-19.

All staff members have been issued identification badges, and visitors must sign in at the office and wear visitor badges for proper identification.

District Nurse: The Gerber Union Elementary School District nurse is on site on a weekly basis. However, a nurse is available to assist if the need arises. The nurse gives State-mandated dental, vision, and hearing tests, and notifies parents if a concern about a student's health arises. First Aid & Emergency Forms: First aid, defined as the immediate, temporary care given in case of accident or sudden illness, will be given when necessary. First aid will be rendered by anyone qualified to do so. In case of an accident requiring the services of a doctor, every attempt is made to contact the parent or guardian before the child is taken to the hospital. Emergency treatment cannot be administered unless a signed form is on file. For this reason, parents should inform the school immediately of any changes in address or telephone numbers. Emergency information is communicated to emergency personnel.

Administration of Medication Policy: To conform with the California Education Code #49423, the Gerber Union Elementary School District has adopted the following policy: any pupil who is required to take, during the regular school day, medication prescribed for him/her by a physician, may be assisted by the school nurse or other designated school personnel if the school district has received, (1) a written statement from such physician detailing the method, amount, and time schedule by which medication is to be taken; and (2) a written statement from the parent or guardian of the pupil indicating the desire that the school district assist the pupil in the matter set forth in the physicians statement. Only medications prescribed by a physician, accompanied by parent or guardian's signed Request for Medication form will be administered. The medication must be brought to the Office Clerk in the original container. If the child needs over-the-counter medication, inhalants, etc., the child must follow the same procedure as for prescribed medication. Students are not allowed to carry prescription or non-prescription medications on their person or on the school grounds during school hours.

Suspensions and Expulsions

Suspensions and Expulsions for School Year 2019-2020 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions	0.5	0.5	
Expulsions	0.0	0.0	

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

Professional Development (Most Recent Three Years)

Measure	2018-19	2019-20	2020-21
Number of school days dedicated to Staff Development and Continuous Improvement	3	3	3

Professional development (PD) at the District level is targeted towards LCAP goals and priorities; which include implementing MTSS through, 1) Academic Growth; 2) School Culture and Engagement that supports behavior/social/emotional needs; and 3) Maintain/upgrade facilities. Over the past three years, the District has invested in professional development that builds capacity among staff to implement new common core curriculum with a focus on educating the whole child. The District is implementing a Multi-Tiered System of Supports that includes PBIS and the Nurtured Heart Approach.

Specific PD topics include but are not limited to: MTSS, PBIS, Restorative Practices, trauma/behavior/social-emotional support, UDL, PLC, technology, NHA, CCSS, ELD, and NEU

The District yearly calendar provides three days of professional development for certificated staff and one day of professional development for classified staff.

Ongoing PD is provided throughout the year via staff meetings, release time, and occasionally extra duty.

- During the 2016-2017 and 2017-2018 school years a team that consisted of teachers, classified and administrators attended multiple off-site workshops and conferences related to PBIS and MTSS.
- New teachers are included in a formal induction program and are matched with a mentor/coach on site.
- The District employs two expert coordinators (one special education/academic the other behavior/social/emotional) to help support staff, these coordinators are available to coach and mentor staff as needed. We are building capacity for additional mentor/coaching support through the school MTSS leadership team. Team members have attended coaching collaborative trainings at the county office.
- The District contracts services with Tehama County Office of Education (TCDE) to provide on-going/on-site PD.
- Other opportunities for PD include offsite workshops and conferences.

Types of Services Funded

To increase student achievement that focuses on the whole child, Gerber School has set priorities to implement a Multi-Tiered System of Supports (MTSS). On the academic side, we have staffed a Special Education Coordinator/RSP Teacher, English Language Development (ELD) teacher, Education Specialist (RSP) and a number of instructional assistants. On the behavior/social-emotional side of MTSS, we have staffed a Behavior Intervention Coordinator, psychologist, and counselor. The teams on these two sides of MTSS meet weekly and use data to identify students that are struggling then match interventions to support students' needs. Our model of support for students and teachers is blended with push-in and pull-out services. Our support staff are also available for coaching and mentoring.

Aligned to MTSS, we are also implementing Positive Behavior Intervention Supports (PBIS) and the Nurtured Heart Approach (NHA).

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.
